# DORSET BORN, DORSET BRED

Our award-winning preserves are handmade in open-pans in our kitchen, in the heart of our beautiful county of Dorset.

We established From Dorset With Love in the Summer of 2010, whilst Chrissy was on maternity leave from her legal career and Karl was working for his brothers business. We both fancied a change in direction and the challenge of being our own bosses and to provide for our boys was enough.

Throughout her childhood, Chrissy always had a passion for cooking and regularly made jams with her mum and nan for family and friends as gifts so putting these skills to use seemed a natural direction.

After winning our first Great Taste Awards in 2011, From Dorset With Love fast became a full-time job so it wasn't long before Chrissy was able to leave her job and focus solely on our business.

We have since gone on to win many Great Taste Awards, a Taste of the West Award as well as local and regional business awards. Two highlights of these are our 3-Star Great Taste Award for our Dorsetshire Sauce and Best Food Producer in the Dorset Food, Drink & Farming Awards.

Our commitment to deliver high quality products to our customers is recognised by the rigorous audit standards of SALSA of which we gained since 2018 since moving in to our new purpose built premises in Blandford Forum.

We take great pride in what we supply to the farmshops, deli's, cafes and hotels across Dorset and beyond and we always welcome new stockists to our growing family.
